

Testing The Model

A screenshot of a web browser window. The address bar shows the URL "127.0.0.1:5000". The page has a dark blue background. At the top, the text "PHISHING URL DETECTION" is displayed in white. Below this, there is a light blue input field containing the URL "https://github.com/IBM-EPBL/IBM-Proje". Underneath the input field, the word "URL" is written in white. At the bottom, there is a yellow button with the text "Check" in black.
